ALYARMUK Company Profile 2024

# ABOUT ALYARMUK

ALYARMUK Factory is a pioneer in the field of specialized furniture, established in 1999 in Egypt, in addition to another Factory established in 2008 in the Kingdom of Saudi Arabia, and has extensive experience in designing and manufacturing professional furniture for a wide range of sectors, including laboratories of all specialties, medical and dental clinics, educational furniture, and pharmacies. At ALYARMUK, we focus on providing solutions that combine high quality and innovation with consideration for safety and comfort to meet the diverse needs of our customers. Our products are known for their reliability and durability due to our continuous commitment to the highest international quality standards.

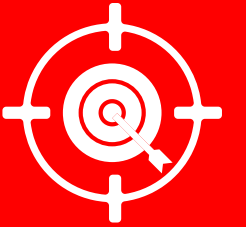

# VISION & MISSION

## ALYARMUK VISION

We aspire to be the global leader in providing specialized furniture solutions, with a commitment to quality and innovation to meet the aspirations of our product users.

## ALYARMUK MISSION

At ALYARMUK, we work with a dedicated team spirit, striving for success and excellence in manufacturing specialized medical furniture. We are committed to the highest global standards, with ongoing research and development. We care about the interests of our partners, serve our community and national economy, and remain committed to our values and ethics.

# ALYARMUK

## CORE VALUES

### Quality and Innovation

We are committed to delivering products of the highest quality and continuously innovating to meet the needs of our customers and ensure superior performance.

### User Comfort and Safety

We prioritize user comfort and safety, striving to provide a healthy and safe work environment that enhances user efficiency.

### Sustainability and Social Responsibility

We are dedicated to offering sustainable, eco-friendly solutions while maintaining our responsibility towards the community and contributing to the development of the national economy

### Employees as the Foundation of Success

We believe that employees are the key element in achieving success, and we continuously support and develop their skills.

### Partnership with Clients

We view our clients as partners in success and work to build long-term relationships based on trust and commitment.

### Transparency and Ethics

Lorem ipsum dolor sit amet, consectetur adipiscing elit. Aenean lacus dui, elementum ut ligula quis, volutpat laoreet enim. Morbi efficitur odio erat, ut aliquam neque imperdiet.

# ALYARMUK GOALS

## Delivering high-quality products

Committed to manufacturing furniture that meets the highest global quality standards to ensure superior performance and durability, offering customers value that equals or exceeds the price.

## Continuous research and development

Fostering innovation and improving products through ongoing investment in research and development to meet the latest technological advancements and customers' aspirations.

## Focus on user comfort and safety

Designing solutions that prioritize ergonomics and user comfort, ensuring both short- and long-term safety and well-being.

## Commitment to international standards

Continuing to operate according to the highest global quality standards such as ISO, CE, DIN, and AQSR to ensure product reliability.

## Expanding global customer base

Aiming to expand our presence in international markets and provide our solutions to more clients worldwide.

## Social responsibility

Contributing to community development and supporting the national economy by offering innovative solutions that improve the work environment and meet society's needs.

# STANDARDS AND QUALITY CERTIFICATIONS

For over 25 years of specialized work, ALYARMUK has achieved excellence in providing specialized furniture solutions for several vital sectors. We are proud to hold numerous international certifications that reinforce the quality of our products, ensuring our commitment to the highest global quality standards.

In addition, we adhere to European to ensure comprehensive quality management. We also follow DIN and GMP standards to provide reliable solutions for sensitive working environments, such as medical laboratories and pharmaceutical industries.

# ALYARMUK KSA Client Partners

With the experience of Al Yarmouk Modern Factory in the Kingdom of Saudi Arabia, a factory established in Riyadh in 2008 as a factory specialized in the manufacture of medical and laboratory furniture, Al Yarmouk has succeeded in building long-term strategic relationships with customers from different sectors, including laboratories, medical clinics, pharmacies, educational and military institutions. We are proud of their use of our products, and what increases our pride is the repeated dealings over the years.

## ALYARMUK ARE Client Partners

With over 25 years of experience in the medical, laboratory, and dental furniture industry in Egypt, Yarmouk has succeeded in building long-term strategic relationships with its clients from various sectors, including laboratories, medical clinics, pharmaceutical, food, cement, and iron factories. We are proud to have been the first choice for many leading institutions at the local and international levels that rely on the quality of our solutions and our continuous innovation in the professional furniture industry. Our client list ranges from hospitals, specialized clinics, research centers, universities, technology companies, and factories, and what enhances their confidence in our products is our ability to meet their advanced requirements by providing technical support, distinguished service, and a real warranty that extends for more than ten years.

# ALYARMUK SERVICES AND TECHNICAL SUPPORT

## PRE-SALES SERVICES

- **Free 3D Design Services:** We provide clients with accurate visualizations of the final product through free 3D designs, helping them make informed design decisions before execution.
- **Technical Consultations:** We have a technical office and an engineering department that offer specialized consultations to assist clients in selecting the most suitable solutions based on their specific needs and our accumulated expertise in the field.

## AFTER-SALES SERVICES

- **Ongoing Technical Support:** We provide continuous technical support to help clients resolve any technical issues that may arise after receiving the products.
- **Installation and Maintenance Services:** Our specialized team ensures professional installation and provides regular maintenance to maintain the efficiency of the furniture.
- **Quality Assurance:** All our products are covered by a warranty against manufacturing defects, ensuring customer satisfaction and trust in our products.

# ALYARMUK production sectors

## MEDICAL

This sector covers furniture for hospitals and medical clinics in all their specialties, medical trolleys, and medical equipment trolleys, focusing on providing innovative and durable solutions for healthcare environments. In addition, we are ready to tailor special solutions upon request.

## DENTAL

Dental Sector: We provide integrated solutions for furnishing dental centers, starting from the reception, clinics, operating rooms, sterilization center, dental laboratory, and training center. In addition to our constant readiness to design and tailor special solutions

## PHARMACY

Our pharmacy furniture solutions emphasize efficient space organization, ensuring quick and easy access to medications and medical supplies and optimal use of vertical space while maintaining a modern and functional appearance.

# ALYARMUK production sectors

## EDUCATIONAL

We provide educational furniture designed to meet the needs of school, university, and educational institution laboratories, ensuring an inspiring and safe environment for students and teachers alike. Providing special solutions for each of the educational specialties.

## LABORATORY

This sector provides laboratory furnishing solutions in all specializations and types according to the activity, whether research, medical or industrial, and according to the type of industry, whether pharmaceutical, food or petroleum.

## TECHNOLOGY

We provide specialized furniture solutions for electronics laboratories, electronic production lines and medical equipment maintenance, with a focus on providing safe, ESD-resistant environments to ensure the protection of users, equipment and work accuracy.

# MEDICAL FURNITURE SOLUTIONS

## Medical clinic furniture

ALYARMUK designs medical cabinets for clinics in all specialties (such as gynecology, ophthalmology, ENT, etc.).

## Operating Room Cabinets

Operating room cabinets store equipment such as surgical instruments, sterile materials, catheters, medications, syringes, and sponges that will be used by the operating room staff prior to surgery.

## virus prevention supplies stations

Yarmouk has designed small stations that contain the most important supplies for virus prevention in one place and within the user's reach while standing.

## **DENTAL lab furniture**

Al Yarmouk Company designs and manufactures dental laboratory furniture that suits their size, nature of specialization, and the equipment used. It also provides services and equipment within its reach.

## **DENTAL CLINICS CABINETS**

Al Yarmouk has been dedicated to providing customers with high quality, luxurious and hygienic dental cabinets for over 25 years. It has equipped thousands of clinics.

# **DENTAL FURNITURE SOLUTIONS**

## **DENTAL sterilization room**

ALYARMUK sterilizing room furniture stands alone without relying on any walls. Its doors can be controlled automatically or electrically

# PHARMACY FURNITURE SOLUTIONS

## **Flexible, adjustable, and tilt drawers system**

ALYARMUK is the first factory in the Middle East region specializing in the flexible, adjustable tilt drawer system

## **Complete pharmacy furnishing system**

## **PHARMACY DRAWER SYSTEM**

Thanks to our pharmacy drawer system, space can be efficiently organized, ensuring quick and easy access to medications and optimal use of space while maintaining a modern, functional and beautiful appearance.

# EDUCATIONAL FURNITURE SOLUTIONS

## EDUCATIONAL LAB FURNITURE

ALYARMUK designs and manufactures science, biology, chemistry, physics, engineering, medical, and dental laboratory furniture for universities and higher education.

## Educational simulation labs Multipurpose Edu. Benches

## Furnishing training centers for dentists

ALYARMUK offers special solutions for furnishing dental training centers, as well as training classes and simulation laboratories for college students.

# LABORATORY FURNITURE SOLUTIONS

## FLEXIBLE LAB FURNITURE

The flexible laboratory system of ALYARMUK makes it easy to change the researcher's seating position by the user himself by moving the cabinet to the left or right with his fingers

## self-supporting

ALYARMUK's self-supporting modular laboratory furniture systems offer dual advantages. They act as support structures for the work surface while providing storage units and drawers. They can also bear loads up to 200 kg/m<sup>2</sup>.

## The C Frame Cantilever System

The ALYARMUK C-Hanging System supports the work surface independently of the storage units underneath. The storage units can be easily swapped out or repositioned without having to disassemble the work surface.

# TECHNOLOGY FURNITURE SOLUTIONS

## AUDIO REPAIR WORKSTATION

ALYARMUK Hearing Aid Repair Station features an all-steel design for durability. A fluorescent light is installed in your work area. Wires and tubes are located at the back of the unit for easy access

## ESD WORKSTATION

ALYARMUK Produces ESD labs that comply with standards to protect sensitive equipment and provide a safe and robust work environment that promotes maximum productivity and safety for users, machines, and products.

## Dental Technician WORKSTATION

ALYARMUK Lab dental technician workstations are manufactured with high-quality materials and a modular design that takes into account the safety and comfort of technicians while working as well as the safety of the equipment.

# Company Development

**1990:** ALYARMUK was founded as a sole proprietorship by Ahmed Abdel Hamid while he was still a student. It started as a small workshop for architectural products.

**1996:** The idea of manufacturing specialized drawer units for dental clinics came to Ahmed Abdel Hamid, and he spent a year on research and development to create a product that meets market needs.

**1997:** The company executed its first complete dental clinic project for Dr. Alaa Diab, marking a significant milestone for ALYARMUK.

**1999:** ALYARMUK transitioned into a family-owned limited liability company.

**2000:** The company began manufacturing medical furniture for other specialties after studying the needs of each sector and developing suitable products.

**2004:** ALYARMUK began constructing a large factory in the Abu Rawash industrial zone to expand production.

**2006:** The company started exporting its products to Saudi Arabia.

**2008:** ALYARMUK established a factory in Saudi Arabia, marking its first step towards expanding into the Gulf region.

**2010:** The Saudi factory began exporting products to all Gulf countries.

**2024:** ALYARMUK began constructing a new factory in Saudi Arabia, covering 17,000 square meters, to meet the growing demand in local and international markets.

---

# THE FOUNDER

Ahmed Abdel Hamid, the founder of ALYARMUK, was born in 1967 and studied Interior Design Engineering, Furniture, and Business Administration. He earned a Professional Doctorate in Business Administration from the Arab British Academy in 2021. He founded ALYARMUK in 1990 and has dedicated his life to its development, believing that continuous research and development are key to the company's success and sustainability. Based on this belief, he established an R&D department to drive innovation and ensure growth. The company's commitment to principles and values is central to its philosophy and is reflected in its dealings with its team, suppliers, clients, and employees.
